### Old business

Tech meetings went well, opinions were voiced and the tech sheets have been revamped for this season.

There were some newbies in attendance:

Nate Martel- raced go karts on asphalt, purchased Ed Hoyts spare car

Alan Hammond Jr. - raced go karts on dirt

Tanner- raced go karts on dirt

Welcome!

T-shirts!

Kyle checked into using Custom ink for club shirts. With the current round logo on the front and the state outline with sprint car on back each shirt would have been approximately \$25. The club is checking into different printers and getting quotes for shirts. Stay tuned for more details.

### Classifieds

Check into them again, some things have sold. Speak to Dennis again about dropping things after 30 days, or 60 days.

## Banquet

Rick does not like the pot luck idea that was given. Stated that it puts more pressure on wife or significant other to make a dish to bring.

Many ideas were given. A catered BBQ? Have the banquet at a VFW or Legion hall? If we have a bar have shuttle to local hotel? Dj? Karaoke?

Check back for updates on banquet planning!

Renee suggested having driver videos on the Granite State Facebook page to bring in more people to check it out. Lisa suggested having driver bios on the handouts at the tracks.

Next meeting will be April 2<sup>nd</sup> at Tip Top Tire at 10am. This will be a general meeting.

Mike made motion to adjourn meeting, Ed second. Accepted.
